

# US-ISRAEL RELATIONS

## POLS 4396/JWST 3397

**Gain deeper insights into current affairs and American international relations**

How can we explain the intimate alliance between the strongest country in the world and the tiny Jewish state?

Was this alliance inevitable? Will it endure ongoing global and domestic shifts?

What are the driving forces behind this relationship? Ideology? Interests? Lobbies?

Is US involvement helpful for achieving peace, stability, and justice in the region?

Why does the relationship spark intense emotions among Americans?
