## Question 1

### Community Ladder

**Think of this ladder as representing where people stand in their communities.**

People define community in different ways; please define it in whatever way is most meaningful to you. At the **top** of the ladder are the people who have the highest standing in their community. At the **bottom** are the people who have the lowest standing in their community.

### Where would you place yourself on this ladder?

Please click to check the box on the rung where you think stand at this time in your life, relative to other people in our community.

## Question 2

**Think of this ladder as representing where people stand in the United States.**

At the **top** of the ladder are the people who are the best off - those who have the most money, the most education, and the most respected jobs. At the **bottom** are the people who are worst off - who have the least money, least education, and the least respected jobs or no job. The higher you are on this ladder, the closer you are to the people at the very top; the lower you are, the closer you are to the people at the very bottom.

### Where would you place yourself on this ladder?
