

An abstract painting featuring a central silhouette of a woman in a dark, flowing dress. The background is composed of various colored blocks and shapes in shades of red, blue, green, white, black, and yellow. The style is reminiscent of mid-20th-century abstract art.

# *16th Annual* **Table Talk**

Converse. Share. Learn. Table Talk is a fascinating combination of conversations over lunch, led by dynamic women of diverse professions, cultures and experience at each table. Table Talk benefits the Women's, Gender & Sexuality Studies Program and the Carey C. Shuart Women's Archive and Research Collection at the University of Houston. The Shuart Women's Archive was established in 1996 to collect, preserve and share the stories of women's contributions to the life and culture of Texas and Houston. Our focus is the written records and oral histories of women's organizations and of individual women who have affected our lives.
