

Achieve Your Professional Development Goals with CATALYST

What is CATALYST?

CATALYST Learning Programs are professional development courses in a variety of topics for all benefits-eligible staff members and leadership, from individual contributors to senior leaders. CATALYST is perfect for anyone looking for training courses that will improve their professional skills.

Who is CATALYST for?

All benefits-eligible staff and leadership. CATALYST is comprised of targeted learning paths that meet the development needs of all employees.

INDIVIDUAL CONTRIBUTORS – Individuals in non-leadership roles seeking skills for career success.

SUPERVISORS – Team Leads and Supervisors looking for leadership and team management skills.

MANAGERS – Managers with direct reports looking for leadership and strategic skills.

SENIOR LEADERS – High-level leaders of supervisors, managers, directors, etc., who are looking to sharpen their leadership skills and connect to explore new ideas.

What kinds of topics are taught?

This fall we are offering courses on **Productivity, Leadership, Coaching, and more!**

How much does it cost?

All courses are offered at no cost to the employee. CATALYST course tuition is charged to the respective department. Manager approval is required for enrollment.
