

CONTINUING MEDICAL EDUCATION POLICIES: Types of Continuing Medical Education Activities Offered (Non-accredited and Jointly Provided with St. Joseph Medical Center)

Types of Continuing Medical Education Activities Approved by Tilman J. Fertitta Family College of Medicine and Jointly Provided with St. Joseph Medical Center

Background

Tilman J, Fertitta Family College of Medicine (TJFF COM) is committed to providing the highest quality continuing medical education activities to our full-time faculty, voluntary faculty and community physicians. TJFF COM is currently not an accredited CME provider (as of April 2023) and is pursuing provisional accreditation from the Accreditation Council for Continuing Medical Education (ACCME). In the interim, TJFF COM is also entering into a Joint Providership agreement with St. Joseph Medical Center who is accredited by the Texas Medical Association.

Procedure

In accordance with TJFF COM and St. Joseph Medical Center CME policy and requirements, TJFF COM will offer CME credit for the following types of continuing medical education activities:

- Live Activity – single or multi-day activity (i.e. conference, annual meeting)
- Regularly Scheduled Series – activity that occurs on a regular basis with global objectives (i.e. Grand Rounds) with different material presented at each activity
- Enduring materials (printed, recorded or computer-presented activity that may be used over time at various locations)

Proposed continuing medical education activities will be accompanied by an application (credit request), reviewed by the TJFF COM Continuing Medical Education Committee (CMEC), TJFF COM Graduate Medical Education and Faculty Affairs Office, and the St. Joseph Medical Center CME Office. Credit will only be provided to activities that comply with the requirements of the American Medical Association and complies with the policies and Standards of the Texas Medical Association (TMA) and the ACCME including the Standards for Integrity and Independence in Accredited Continuing Education .
