International Education Week Events

What is International Education Week?
International Education Week (IEW) is a joint initiative of the US Department of State and the US Department of Education to promote the benefits of International education and cultural exchange. This year IEW will be celebrated Nov. 16th through 20th, and all events will be held online. At UH, IEW is an opportunity to showcase the various global programs and international opportunities as well as celebrate our cultural diversity.
