TO HOUSTON

“H-Town”, “Space City”, “H-O-U” — whatever the nickname, we know Houston, Texas as “home” — and it’s no college town. UH is in the heart of the city where dreams become opportunities and you’re empowered to *Be Someone*. As a student, we’ll help you develop relationships with major players in your area of study through internships and fieldwork. When you step foot off campus, you’ll be immersed in this vibrant, multi-cultural city with lessons to be learned beyond the classroom. As an alum, well ... the sky’s the limit for your future in this global business hub.

STUDENT SUCCESS

As a forward-thinking university, we're invested in helping you thrive during your time here and build toward your future. We have a variety of resources to support your success as you work towards earning a UH degree. Scan the code to learn more about these programs.

"I've learned so many life skills, in such a short time at UH. As a member of UH's Management Information Systems Student Organization (MISSO), I can partner with potential employers to help jump-start my career. I am now an Internal Audit and Financial Advisory - Tech Intern at a global consulting firm."

LEARNING ABROAD

International study is a life-changing experience, and many Coogs take advantage of this exciting opportunity to become a global citizen, make life-long friends, learn new skills and gain life experience. Whether you want to spend an entire academic year or a winter session in another part of the world like France, South Korea, England, Japan or Argentina, we offer different options for you and provide funding support to make your dream a reality.

RESEARCH

As a Carnegie-designated Tier One public research institution, UH empowers you to raise questions and make discoveries. Through the Office of Undergraduate Research and Major Awards, you're able to participate in funded, faculty-mentored research programs and apply for nationally competitive fellowships. Whether it's advancements in technology, space exploration or developments in healthcare, you can be a part of addressing the pressing issues of our time.

"My research experiences at UH and support from OURMA completely changed the trajectory of my goals. Before coming here, I had never considered grad school or a research career. Doing meaningful, hands-on research as an undergrad sparked my interest in pursuing a Ph.D. and studying neglected tropical diseases as a parasitologist."

COOG LIFE

Here, you're able to find your community on campus through exploring your shared passions with fellow Coogs. We have plenty of opportunities for you to make connections before and after class by participating in student organizations or attending events (like Cougar game days, Frontier Fiesta and Homecoming).

UH is a place where your community becomes your Cougar family, and family means forever. It's easier to embrace the change of transitioning to college when we do it together.
